

Friends of the Homeless Recipe

Hash Brown Casserole

4 lbs. frozen shredded hash brown potatoes, thawed

16 oz. shredded 2% milk reduced fat sharp cheddar cheese

4 cups sour cream (low fat or nonfat)

2 cans low-fat cream of mushroom soup (such as Campbell's Healthy Request)

1 tsp. salt

1/4 cup (1/2 stick) butter or margarine, melted

Combine all ingredients and place in a **deep** 9" x 13" disposable foil all-purpose pan (for up to 12 lbs.) or a deep foil lasagna pan. (For easier handling, you may split the recipe between two regular sized 9"x13" disposable foil pans.)

Bake **uncovered** for 1 hour at 350 degrees.

This recipe serves 16-20 people.

Cooked, covered casseroles should be brought to the fellowship hall kitchen by 9:00 am if cold and by 10:30 am if hot on the fourth Thursday of the month. Casseroles also may be placed in the walk-in refrigerator a few days before. Be sure to label with your name and "Friends of the Homeless."
