

Reveille United Methodist Church

Photograph Policy

Reveille United Methodist Church, located in Richmond, Virginia (“Reveille”), acting through its employees and agents, reserves the right to use, reproduce and distribute, without compensation, photographs of Reveille members, and individuals attending Reveille functions, in connection with printed materials or other media it distributes, displays, transmits or exhibits. Such distributions, displays, transmissions or exhibits may include, but are not limited to, publications, newsletters, magazines, brochures, CD ROMs, websites and/or videos.

Reveille shall take reasonable efforts to ensure that any photograph taken and used in connection with this Policy is in furtherance of the vision statement and missions of Reveille and is in keeping with any such policies and procedures related thereto.

Any photograph taken and used in connection with this Policy that has a close-up picture of a minor will not be used or distributed, in any manner, by Reveille unless and until the minor and his or her parent or legal guardian sign the Consent and Release Form attached hereto as Exhibit A (the “Release”); provided, however, that neither Reveille, nor its employees and agents, shall be liable in any respect in the event that such a Release is not executed in conformity with this Policy. For the avoidance of doubt, Reveille will not require the execution of such a Release before using or distributing, in any manner, large group photographs featuring a number of individuals.
