

Reveille UMC
Third Quarter 2017 Update

Defying Gravity

During this year's Defying Gravity stewardship sermon series and study, we learned about the joy of breaking free from the culture of more in order to live a more generous life. Your generous support of Reveille's ministries serves the purposes of Christ in our congregation, community, and world. Here are just a few recent examples of the impact of your contributions:

Through our summer **youth mission trips**, 43 youth had the opportunity to serve others in Virginia, West Virginia, and Washington, DC.

Vacation Bible School helped build the faith of 84 children from the Reveille family and the local community.

A mission team from Reveille provided health care to more than 1,100 children in rural Honduras through **Friends of Barnabas**.

Families from Reveille and our **Swansboro** partner churches came together in fellowship for a cookout at Byrd Park in August.

More than 540 people joined together for worship and fellowship on **Reveille Day** in September.

This fall, we invested in **training** to equip and empower youth and adults in our congregation to serve as ministry leaders.

Thank you. Your financial support is a witness to your faith and enables us to continue to do God's work through these ministries and many others.
