

Online Giving **Convenient, Consistent, Secure, Simple**

Please consider using Reveille's secure online giving application to fulfill your estimate of giving. Giving online allows you to set up and manage your own contributions. It also provides much-needed donation consistency for our congregation.

Making your contributions at www.reveilleumc.org/donate by **direct debit (ACH transfer) from a checking or savings account** offers two additional benefits for the church:

- Lower fees are incurred by the church with direct debit from your checking or savings account. Reveille pays higher processing fees when you give using a credit or debit card.
- Using Reveille's giving application allows for automatic transfer of funds. Your bank's online bill-pay feature typically results in a check being mailed to the church, which requires additional processing time and expense.
