God of Love and kindness

We thank you for your model of courageous love.

We pray that you will help us to make the stranger our friend and that

Create a Prayer Take a walk and look for signs of God, thank God for being present in your life. Chalk a picture of some your favorite signs of God you have seen, add one to your Praying in Color prayer.

As a Family When you take a walk or look in your own yard for a sturdy stick that can be made into a walking stick that you can sand down and take with you as we journey this summer. Tammy will show you her walking stick in Sunday school.
