Matthew 9:35—10:8 Share the good news!

Opening Family Prayer

Healing God, You hear our words and you know our hearts. Help us to help others.

Teach us how to better serve those in need.

Grant us strength and energy for this calling. Amen.

Read Scripture [Matthew 9:35-10:8](#)

Family Discussion

- As Jesus traveled, more and more people began to follow him. He healed and taught them often outdoors. After reading the scripture discuss where Jesus went and why? How did Jesus describe the people?
- What does Jesus tell the disciples to do ([in verses 10:5-8](#)) and what did he give them so that they could help him?
- If you were one of Jesus' disciples how could you help spread the good news? Who might Jesus call to help bring God's love to the world today? How can we share in the important work of sharing the good news of God's love too? If you could say what you think the church should do for people, what would you say; and can you make a drawing of this?

Create a Prayer

Discuss as a family what you want to thank God for and who needs prayer. Go outdoors and draw with chalk pictures of what you are grateful for and what you would like to ask God to help you do for others. Remember that God hears our prayers and sees our prayers too! Be sure to chalk yourself sharing God's love.

Add to your Praying in Color Prayer pictures of you helping others.

As a Family - Walk and Pray in your neighborhood, pray for the peace of the Holy Spirit to be with your neighbors and pray for their health.
