Matthew 28:16-20 Trinity Sunday

## Opening Family Prayer

God of abiding and active peace, guide us to pay attention today and always to the beauty, wonder and rhythms of the Earth. Help us to hear your voice and see your name written across the world. Guide us to serve your creatures with love and care. Amen.

## Read Scripture Matthew 28:16-20

## Family Discussion

- Trinity means three; God the Father, Son, and Holy Spirit. Your mother is a daughter, mother, and a wife - discuss how a person can be three in one, like God is.
- The gospel of Matthew concludes with an invitation to humankind to invoke the Trinity's power across the world through baptism and a reminder that God is with you always!
- The Trinity also invites us to care for one another and the earth with wonder and humility.
- What kind of care and attention can you and your family give to the earth?
- What is the most beautiful thing you have ever seen in nature?

**Create** your own family prayer praising God for the beauty of creation and praise God together. You can add nature drawings to your "Praying in Color" prayer that you are thankful for.

**Make a drawing, watercolor, or take a picture** of the most beautiful scene or object that you have seen in nature. Share this with us during Sunday school.

## Help Others

## After the Video

God of Wonders, can you sing the song and dance the dance like no one is watching? I can! What helps you make wise choices? Do you like to make sand castles? I do.

## Respond

Say the [Lord's Prayer](#) together or pray the prayer your family wrote together or say them both.

## Remember and Recall

Jesus prayed and waited for God to answer his prayers patiently. God desires you to invite God into every situation of your life. God listens and hears our prayers and is with us always.
