Exodus 1:8-2:10 Moses and Liberation

Opening Family Prayer

Be our refuge in all of our living and dying.

Help us when we stumble.

Grow us into your fullness of life with all of your people,
for your purposes, and for your glory. Amen.

Family Discussion

- Consider the women in the story: Moses' mother, sister, the midwives, and the princess
- How did they each make a difference? How much courage do you think she needed to do what she did?
- When have you needed courage to show love for another?
- Can you think of a woman you know that shows courage? What did she do?
- Have you been able to make a difference in another's life?

Create

Write your own family prayer, praising God for giving you courage and strength to do something good for someone else. Add this to your Prayer Drawing in Color. Using chalk, create a God gives me courage scene, with you doing something good that requires courage. Take a picture and send it to Tammy, children@reveilleumc.org.

As a Family

Make a kindness rock using a river rock to paint, draw, or write your name for a faithful God. You could design a rock saying "God gives Courage." Ask your family to visit a lake, creek, river, or other body of water and imagine finding a baby in a basket in the water. What would you feel?

Help Others

Drop off donations of school supplies for students at Swansboro Elementary school to help them have a great start.

After the Video

A very small thing can be turned into a big thing by God! This week, ask your parents to get you some gloves, then pick up and dispose of trash that has been left in a neighborhood. Caring for God's creation is a beautiful mission!

Sing the chorus of this fun [Pharaoh, Pharaoh](#) song with your family, show off some dance moves.

Respond

Say [The Lord's Prayer](#) together. Take a nature walk, praise God for the beauty that surrounds you, and leave your God rock along the way for a neighbor to be surprised by it. Remember to thank God for the beauty of creation and caring for you and your family.

Remember and Recall

God wants to provide you with all you need. If you need courage, tell God why and ask for it.
