

even greater things

In 2025, we set a goal of doubling our outreach budget over two years. The 2026 budget included 50% more funding for outreach ministries compared to 2025 and the 2027 budget includes the remaining 50%. This in itself is an even greater thing, but there's more! In 2027 Reveille will go beyond welcoming as we develop a culture of invitation and we have plans for new discipleship opportunities for all ages. In outreach, we will increase our efforts to address local food insecurity through new and enhanced partnerships. You can be a part of our growing ministry in RVA by making your 2027 pledge.

New to giving? If you do not currently give, start your generosity journey by making a contribution.

New to pledging? If you give but do not pledge, make a commitment for 2027. A pledge is a promise of financial support in the upcoming year, made out of love for God and neighbor. A pledge turns giving into a spiritual discipline, just like prayer or worship, and keeps God a priority in your life.

Already pledge? We are asking every congregation member to prayerfully consider increasing their pledge for 2027 by 5%. With your support, we can do even greater things and transform more lives through our ministries.

You've made your pledge. What's next?

Set up recurring giving to fulfill your pledge at www.reveilleumc.org/give

Use Reveille's secure online giving platform to fulfill your pledge with recurring contributions. You'll provide consistent support to sustain Reveille's vision and ministries. Benefits include:

- Quicker, safer, and less expensive than writing and mailing a check.
- Donations processed quickly, so funds are available to be used right away.
- Lower processing expense than checks.

Note: Your bank's bill-pay feature results in a check being mailed to the church. (If you use bill pay, please include your envelope number as your Reveille account number.)

Already using recurring giving?

Update your giving amount to correspond to your 2027 pledge. If your pledge amount has changed from 2026, please update your online giving or bank bill pay. The church does not automatically adjust online giving.

Be sure to make a new pledge for 2027. Pledges do not automatically renew. Submit a new pledge each year so the church can record and acknowledge your commitment.

Other ways to fulfill your pledge

Visit www.reveilleumc.org/give to learn about other ways to make gifts to Reveille including stock transfers, IRA qualified charitable distributions, and donor advised funds.
